Empowered by the Word

“I the Lord search the heart and examine the mind, to reward a man according to his conduct, according to what his deeds deserve.” Jeremiah 17:10

It is truly God’s desire to bless His children when they walk and live in obedience. He has promised His unlimited provision to the faithful who keep His Word and follow His instruction. There is great reward in obeying the Word of the Lord. Our rewards do not depend on God being able to supply but our willingness to obey.

The Scripture makes clear that what we sow we shall reap. Sowing is not just a spiritual concept but also applies to every area of our lives. God loves us so much He will discipline us if needed. He does this to keep us from straying and bringing harm to ourselves. Let us be honest with ourselves by admitting we can sometimes make a mess of things when we don’t follow God’s Word.

Let us also remember when God searches our hearts and minds He will see everything good and bad. Because he loves us He rewards the good and disciplines the bad. God’s goal is not punishment but restoration. Our sins alone bring punishment when we disobey God. Every law has its own penalty. God will truly forgive us of confessed sin but we may still have to pay the consequences for the sin we committed. Even then God will help us go through every situation so that we become stronger and learn from our experiences.

I praise God that He is just and fair. God offers us His truth and instruction so that we can live prosperous and victorious lives. God loves to reward His children for their obedience. God knows that rewarded obedience will produce more obedience. The same is true for the disobedient. Rewarded disobedience will produce more disobedience. Psalm 119:1 says, ‘Blessed are they whose ways are blameless, who walk according to the law of the Lord.’ Blessed in the Word means “happy to be envied”.

If we know the depth to which God desires to bless us should we not desire to be obedient so as to live in those blessing? Many times I go before God with the truth of Psalm 139:24 on my lips; *“See if there be any offensive way in me, and lead me in the way everlasting Lord.”* We do not have to wonder about the ways of righteousness. God will lovingly teach us His ways if we will humbly seek, ask and follow Him. I welcome God’s correction but I prefer His blessings.

Live in such a way as to receive the blessings, rewards and favor of God that comes with obedience. When you stumble due to sin, quickly arise and confess your sin, accept God’s correction and forgiveness, then return to His blessings. Allow me to close with Scripture I pray will be your hearts desire. *“Keep your servant also from willful sins; may they not rule over me. Then I will be blameless, innocent of great transgression. May the words of my mouth and the mediation of my heart be pleasing in your sight, O Lord, my Rock and my Redeemer.” Psalm 19:13-14.*

Dear Partner,

We are living in a time when God's Word is being watered down so as not to offend the listeners. Too many Churches have become "User Friendly" desiring to fill the seats with people instead of the hearts with truth. All across America Churches are becoming theaters instead of Sanctuaries of prayer, praise and the uncompromised preaching of God's Word. Some have replaced anointing with entertainment. Too many churches have a form of godliness but deny the power their of. We truly need revival in the Body of Christ.

God has called my Brother Lee and I for such a time as this. The Word must be preached with power and authority under the leadership of the Holy Spirit. The spiritual lives of many are hanging in the balance. People do not need watered down sermons but the Living Water of Jesus Christ. We do not need another feel good service. Many Believers needs to stand up, spiritual grow up and do service for our King while there is yet time. Satan's lies must be revealed. The only way that can happen is for the Truth of God's Word to be preached.

We need your prayers and financial help as never before. Satan is fighting us financially in an attempt to stop us from proclaiming God's Word across the airwaves. He will not succeed! I know God has sent you and will send others to not only continue our current work but also increase us to do more by reaching more people. Following are three things you can do to help. One: Partner with us in prayer. Two: Partner with us financially. Three: Encourage family and friends to partner with us. I know God will greatly bless and reward all those who partner with this Worldwide Ministry for God's glory. Thank you!!!

Dr. Glenn Mills
